

Thank you for becoming a member of Tockwith Players I am really pleased that you have decided to join the group and become involved in the exciting productions and events we have up and coming. Enclosed in this pack are some useful items to introduce you properly to the Players and help you get the most out of your membership.

You will see that we have included some useful contact numbers in case you have any queries or questions. I have also enclosed a copy of our recent newsletter and a calendar of events for the year which includes some social events too so that you can pop them in your diary.

I really look forward to seeing you on a Thursday evening (8-10pm) in the village Hall where we all get together to make the "magic" happen.

Please remember if you have any queries or questions I, or anyone from the Membership Team, will be more than happy to help.
